

Be An Angel Gift a Night

On a cold winter night, a long ago time, a young couple desperately sought shelter for the imminent birth of their child. Finding no accommodations, they took refuge in a stable and brought forth their son who would bring light to the world.

Each day at the Danielle House, we serve many families who are facing medical emergencies and are also seeking shelter.

We provide them with love, support and comfortable accommodations, where they can find respite and sanctuary from the trials they face.

Please join in the spirit of love and hospitality and in remembrance of the family of long ago, and "Be an Angel, Gift a Night".

Your contribution will assist us in continuing our mission, and those coming to our community will have a warm and safe home in which to stay.

Please take a moment to complete the donation form below and return it to the Danielle House. Thank you for your help.
