December 2022

*C*hange is something that is part of life and one that we must respect and accept. Danielle House will now experience a great change with the retirement of our house managers, Vin and Pat Ackerman. There is a time for every season – this is their season for change after 14 ½ years as in-house managers or as I often called them the Mom and Pop of Danielle House. They were here when our guests would come home after a grueling day at the hospital. They were here to offer comfort and encouragement. They were here to listen, laugh and share stories. They were trustworthy employees helping out whenever they could. I am sure that anyone of our guests who stayed here will agree that they became your best friends while you resided here. Vin and Pat, we wish you the best as you move from here to be closer to family. Your presence and what you gave to others will never be forgotten. You are now a part of the Danielle House legacy forever.

And as we look back into our own lives in 2022, we have all experienced change. Some of these changes were real challenges, but as we grow in wisdom we begin to understand – change is a time of learning – it is our choice to make the experience a positive one.

As we look forward to 2023, I wish you the very best. Give extra hugs to those you love – they are God's gift to you.

Diane

Happy Holy-Days to All

*From the Board of Directors,
Staff and the Stento Family*

Diane Stento
Founder/Director

There is a time for every season...I will be leaving my position as House Manager shortly. My time at the Danielle House (about 15 years) has been a large portion of my life and has been filled with so many happy memories of staff, volunteers, and guests. God has also blessed me with a miracle of healing from pancreatic cancer through all the prayers and love received from everyone at the Danielle House, including previous guests.

My time now will be spent with my children, grandchildren and great grandchildren in Deposit, NY. I couldn't have had such a great position without the help of my husband, Vin. He will truly miss all of you.

May God Bless Danielle, the Board of Directors, Diane, and everyone involved with the Danielle House.

Love,
Pat

Congratulations!

Fond Remembrance *Gentle Farewell*

Claudette Jane Simonis

Claudette was part of the original volunteer team and partnered here with her best friend, Alice Cavanagh. Anyone who knew this woman knew of her challenges in life which she handled with utmost strength and love. She was a teacher to all. As her daughter shared at Claudette's funeral mass... "If you knew my mom, you knew she said whatever was on her mind, like it or not." She brought us many laughs. Claudette lived a life of service and we were blessed by her presence here at Danielle House.

DID YOU EVER CONSIDER BEING A VOLUNTEER???

Volunteers often help keep the doors open and enable nonprofits to deliver vital services.

Doing good for others and the community helps to create a natural sense of accomplishment.

Working as a volunteer can give you a sense of pride and identity.

Danielle house is staffed by volunteers during the week, and we rely on these "angels" to assure our guests of safe, clean comfortable surroundings. If you think you'd like to join our team, please click on the link below and fill out the application. The rewards are tremendous!!!!
