June 2026

Alex and Erica waiting to take baby home

Mr. Peanut in the NICU

Our guests the Goodlings celebrate through songs

The month of June is certainly a month for **celebrations**. . . Weddings, graduations, always someone’s birthday, the end of school year for students, vacation time for teachers, picnics, baseball games, outdoor eateries, opening of swimming pools, parks and here in Binghamton “Carousel City,” rides on our carousels. . . and the beat goes on.

Here at Danielle House, we **celebrate** all of these happenings and more.

We celebrate:

- When our guests with babies in the NICU finally get to bring their babies home.
- When some of our guests finish their last round of chemotherapy and /or radiation treatments
- When relatives and friends of critically ill patients get here in time to spend special moments with their loved one before their passing.
- When our family’s loved one is given a terminal diagnosis and the loved one recovers
- We **celebrate** our volunteers who work endlessly to prepare this place of refuge.

Most importantly, we here at Danielle House **celebrate** you, our supporters, who continue to give so that our mission can continue.

Last, but not least, we **celebrate** Danielle, whom this house is in honor of. She continues to teach us everyday the true meaning of strength and love. She is non-verbal but she speaks volumes.

Thank you,

Diane

Danielle & special niece, Madison

Life is meant to be a celebration! It shouldn't be necessary to set aside special times to remind us of this fact. Wise is the person who finds a reason to make everyday a special one.

Welcome

Yakubu "Jacob" Zakaria
Danielle In-House Night Manager
Yakubu Alhassan Zakaria is a Ghanaian scholar, community advocate, and PhD student in Community Research and Action at Binghamton University in New York. He comes from Ghana, a country whose strong sense of family, community, and public service has shaped much of his personal and professional journey.

His support for Danielle House in Binghamton grew from his personal values and his belief in service to humanity. As someone who understands the importance of care, shelter, and emotional support during difficult times, Yakubu was drawn to the mission of Danielle House and its role in supporting families and individuals who need a place of comfort while receiving medical care in the Binghamton area. His involvement reflects not only his desire to give back to the community that welcomed him, but also his broader commitment to compassion, volunteerism, and building meaningful connections across cultures.

Kristie Blakeslee
Clerical Assistant

Kristie Blakeslee has recently joined Danielle House as a part-time clerical assistant. She comes to us following her retirement after a 38-year career as a paralegal for a local law firm. She lives in Conklin with her husband and their rescue dog.

She's looking forward to being a part of the Danielle House and supporting the families it serves.

David and Diane Thomas
New Board Members

Diane and David spend much of their time in service to others. Both volunteer here at the Danielle House as well as volunteering with the Salvation Army Disaster Relief Service and the American Legion Vets of New York. David, being a retired carpenter, has been gifted with many "honey do" projects at Danielle House.

— FAREWELL —

Thank you Colleen and Dan Marascia for your dedication and service to the Danielle House for three years of service as evening house managers. Enjoy your retirement and your first grandchild. Thank you again.

We celebrate our volunteers for donating their time and talents to this home of peace and refuge.

Written from their hearts,

Quotes from Our Guests

♥ I could truly tell the love and commitment put into this house and environment to support the visitors. May God richly bless you and guide your continued work.

Lynn L.

♥ Please accept this donation of our gratitude for all that you do. During a very difficult time-after losing my mother-in-law and while my father-in-law was in the ICU and finally discharged after 15 days, the Danielle House provided us with warmth, comfort, and compassion when we needed it the most. Your generosity and homelike environment in these last three days brought us peace in uncertain times. We are deeply thankful for the care you show to families like ours. With sincere appreciation.

John K. & Nina O

♥ Danielle House Staff, thank you so much for allowing Sue to stay at the Danielle House while she was receiving the life-saving treatment she needed. Your kindness brought her comfort during a difficult time. Thank you so much for using Danielle's difficult endeavor to help and benefit others. Your compassion and generosity will not be forgotten.

Katrina D and the staff of UHS Oncology

♥ To all the beautiful people at the Danielle House. This house has become more like a home each day I stayed here. My one-of-a-kind daughter, named Danielle, came to Wilson hospital on very scary life support. With all the prayers from so many people she only needed that support for 5 days until they woke her up. Being here at the Danielle House has been a blessing beyond words. Everyone here helped make life bearable for the last month and I am forever grateful. Every city should have something or some place like this house. It means so much to anyone able to find and be blessed with a home like this place. I "almost" hate to leave, but this is the beginning of the rest of my daughter's life so I will leave with tears and a smile because God has blessed me with 2 Danielles.

Daniel R

♥ Thank you so much for the rich and gracious hospitality shown to me, my sister and mom, during Daddy's time in Wilson hospital. You made such a difference in relieving some of our mental anguish during that time. I know this small donation doesn't really reflect the impact you had on our lives, but hopefully it will help with some of your daily expenses!

Thank you for clean, warm rooms, a good hot shower, clean towels & linens, and an abundance of friendships & prayers. Oh! I mustn't forget the wonderful warm soup that we so looked forward to at the end of an exhausting day. The smell of cookies was an extra special touch. Thank you for your loving concern and encouragement.
