## Quotes from Our Guests

♥ 20 plus days at The Danielle House. What a blessing Danielle, the staff & volunteers have been through my journey fighting lung cancer. I will never forget the people I have met here, their kindness and compassion through my trials were more than a blessing.  
Cynthia R - Susquehanna PA

♥ We are VERY BEYOND GRATEFUL! This home is a treasure to the community, a safe haven to weary, frightened, out of town families and an enduring testament of so much love.  
Jim & Terry F – Homer NY

♥ I found Danielle House through exhaustion. I had been traveling back and forth for a week to help my son at BGH a week ago, late at night with Pneumonia. A growth was discovered at intake via a CT scan. With my own health issues my mind was a blur to find a place to stay that didn't break my budget. The night before I came I slept on an air mattress at a B&B. Dan was absolutely wonderful with his introduction. Thank you for being here. – God Bless  
Mary Ann L – South New Berlin, NY

♥ Danielle House is an example of excellence. It is a beautiful home with more love and compassion than I have seen for helping even total strangers who instantly become friends. Thank you and God bless! Your family is an inspiration!!  
Lee S – East Branch, NY

♥ As I lay awake last night, sleepless in the news that it will soon be my season to say goodbye to my mom, the final words in psalm 23 came to mind, specifically "I will dwell in the house of the Lord". For a week, I have dwelt in Danielle's House, and felt a presence of peace and comfort. Out of an amazing tragedy, this home is a reminder that God is present and loving us, even in times of terrible heartache! To the staff and volunteers, thank you for providing a place to dwell, amid the difficult times in life. God bless this house and all who enter in!  
Francis B. – Grayson, GA

♥ This house is a blessing to so many. Thank you for taking your family's tragedy and turning it into such a huge blessing to so many who have medical treatments. Thank you for your unselfish, wonderful gift to so many. God bless you all!  
Jim & Toni – Piffard, NY

## DANIELLE HOUSE REFRESH

On April 26th some members of Local 277 Carpenters Union volunteered their time in helping to refresh and repair a few things around the house, from repairing the roof and cupola on the gazebo, to painting some rooms and replacing toilets and flooring.

Someone once said "Whatever Danielle House needs it just shows up". Well, that statement made headway again. Recently when Danielle and I were at a doctor's visit, this young lady came over to say "Hello" and pulls from her purse an ad for volunteering that had been posted in the St. Mary's/ St. Paul's church bulletin. Her name is Diane Dellacorino- Thomas, a former school friend of Danielle's.

David and Diane Thomas

Volunteer she does with a passion along with her husband David. They asked to go through the entire house to see what might be needed, repaired, replaced or painted. Not only did they find need upon need, they also went to various local businesses for donations of supplies to make repairs. Thank you to Mark at Sherwin-Williams Paint in Binghamton, Belknap Lumber, Lowes, Warehouse Carpeting and Walter Crowley for their generosity. Thank you also to Carpenters Union Local #277 and John Kosick for donating their time and talents.

As a side note, Diane and David Thomas should be recognized for their giving and volunteering nationally through disaster relief efforts. Our world is blessed by your giving.

*Diane*

*Danielle House extends our deepest sympathy to the families, and our gratitude for memorial donations received. In memory of the following very special individuals. Our thoughts and prayers are with you.*
